The before care program will run from 7:30 – 8:45 and the after school program will run from 3:00 – 4:00 each day that school is in session. **Noted below are the monthly fees that are associated with each month and days of attendance. Prices are based on the number of days school is in session.**

Please indicate with an X on the form below when you are registering your child to attend either for the entire year or by the month. Additional forms will be made available prior to the beginning of each month if you are interested in signing up monthly. Drop in is also available, but must be indicated 24 hours in advance in order to provide adequate staffing. **Drop in rate is \$5.00 for each program.** Payment will be due at the end of each month. If your child is unable to attend school for health reasons, you will not be charged for that day of before or after school (school tuition is based on a flat monthly fee and not affected by child's absences).
